UNFORESEEN CLOSURES NOT LISTED

Regarding closures during inclement weather: we follow 9-R school district on weather related closures. If 9-R calls a late arrival, early closure, or total closure related to weather conditions, we will as well. Please check durangoschools.org or listen to local radio broadcasts to be informed. River Mist will attempt to text or email you but may have technical difficulties with communication during inclement weather. We do not offer refunds or make up days for closures, late openings, or early closures as they are beyond our control.

For any other closures specific to River Mist and not related to weather conditions, such as power failure, communicable disease, building damage, etc. River Mist will not offer make up days or refunds.

Thank you.
